*800th Anniversary*  
*Canticle of Creation*

○ Most High,  
all-powerful,  
good Lord God,  
to you belong praise, glory,  
honour and all blessing.

Image inspired by the Caroni Swamp,  
Trinidad and Tobago

Be praised, my  
Lord,  
for all your creation  
and especially for  
our Brother Sun,  
who brings us the  
day and the light;  
he is strong and  
shines  
magnificently.

O Lord, we  
think of  
you when  
we look at  
him.

A vibrant illustration of a tropical beach at night. In the foreground, there are large, detailed white hibiscus flowers with yellow centers and green leaves. To the left, a palm frond hangs down. The middle ground shows a sandy beach curving along a turquoise ocean with white waves. In the background, a dark, forested hill meets the water. The sky is black and filled with numerous yellow stars of varying sizes. The text is written in a white, serif font in the upper right quadrant.

Be praised, my  
Lord,  
for Sister Moon,  
and for the stars  
which you have  
set shining and  
lovely  
in the heavens.

Be praised, my Lord,  
for our Brothers Wind  
and Air  
and every kind of  
weather  
by which you, Lord,  
uphold life in all your  
creatures.

Be praised, my  
Lord, for Sister  
Water,  
who is very  
useful to us,  
and humble and  
precious and  
pure

Be praised, my Lord, for  
Brother Fire,  
through whom you give  
us light in the darkness:  
he is bright and lively  
and strong.

Be praised, my Lord,  
for Sister Earth, our Mother,  
who nourishes us and sustains  
us, bringing forth fruits and  
vegetables of many kinds  
and flowers of many colours.

Be praised,  
my Lord,  
for those  
who forgive  
for love of  
you;  
and for those  
who bear  
sickness and  
weakness  
in peace and  
patience  
- you will  
grant them a  
crown.

Be praised,  
my Lord, for  
our Sister  
Death,  
whom we  
must all face.

I praise and bless you, Lord,  
and I give thanks to you,  
and I will serve you in all  
humility.
